Trains from Bath Spa Station to Paddington run every half hour at 13' and 43' so you're free to stay in Bath as long as you like but you must stay within your respective Group 4 ticket groups. To explain, we bought 20 tickets on the Group 4 deal, so four groups of four with a correlating Group 4 ticket may travel together. That includes Carole too! And please note that if you travel back later you won't have a reserved seat on the train.

N.B. Timings are approximate (apart from the trains and the museum bookings)
