

Mid-term Instructions

London Centre, NCSA Spring 2008

To eliminate any possible misunderstanding about mid-term break, we wish to call to your attention the starting and finishing times of the break. We would also like to remind you that if you fail to adhere to the agreed time schedule you will be penalized and your university will be notified.

Students planning to travel during mid-term:

You may not leave London until your last class finishes on Thursday, May 1st.

If you plan to travel on Thursday, you are responsible for allowing enough time to finish class before travelling to the train station or airport.

You must be back in London no later than the evening of Sunday, May 11th.

Classes will be held as usual beginning Monday, May 12th and you are responsible to be in class, on time, and ready to participate in discussions and excursions.

Students wishing to stay in London during mid-term:

Payments to homestay families do not normally cover mid-term break. If you stay with your family, please coordinate this through Maggie.

The above information reflects information that you received prior to your arrival in London.
